

62-906

9 FEB 1962

**Dear Senator Pastore:**

I have been reviewing with great interest the Senate deliberations on my confirmation as Director of Central Intelligence.

Your active support and statement on my behalf on the floor of the Senate are appreciated. It was especially gratifying to me that the Senate members of the Joint Committee on Atomic Energy who were present voted unanimously in favor of my appointment.

Please accept my sincere thanks.

Sincerely,

SIGNED

**John A. McCone**

**Honorable John O. Pastore
